Airport Categories

Report 'Airport Categories' - the list of all airports/airfields available in Leon

This report shows **all airports** available in Leon. Use the filter in this section to define what exactly should be displayed here. You can search the report by:

- **ICAO/IATA airport code**
- **City**
- **Airport name**
- **Country**
- **Category**

You can also switch from 'Airport' to 'Custom airfield' to search for airfieds or helipads (usually added to Leon manually upon request).
