Crew

This section is considered, along with the 'Fleet' and the 'Crew' sections, to be a part of the Operational Administrator sections.

In order to have access to all three abovementioned sections, the **Admin - System Administrator** privilege has to be set to EDIT in the Privileges for the user group.

The following sections are available under the 'General Settings' group:

- Duties Setup
- Ratings
- FTL Settings
- Per Diems Definitions
- Crew Currency
- Crew Certificates
