

When editing **aircraft data** in OPS > Fleet > Fleet Edit, you will see a new window '**Notes**' on the right-hand side of the screen.

Aircraft notes in 'Legs Info' imported from 'Fleet Edit' page

This is where you can add information or procedures related to a specific aircraft, such as: preferred handling agents or personal contacts.

**Notes?**

Aircraft owner: Mr Ian Curtis  
contact phone number: +12 123 456 789  
  
Maintenance manager: Mr John Goodman  
contact phone number: +12 987 654 321  
  

This info will be exported to  
'Legs Info' section

All information inserted into this field will be visible in '**Legs Info**' section, in the top-right corner (see screenshot on the right).
