

BOARDING PAX

Boarding passengers from **Leon crew mobile app** is now possible.

Once passengers have been added to the trip, it is possible to mark whether they have been boarded, or not. The condition which has to be met is switching in 'Privileges' panel (for a selected group of

users, i.e. crew), an item  to **EDIT**.

To start PAX boarding, select a flight in the crew app and in a tab **PAX** of the crew app, click

 button, then Leon will show options **YES** and **NO** next to each passenger.
