

Day Off Violations

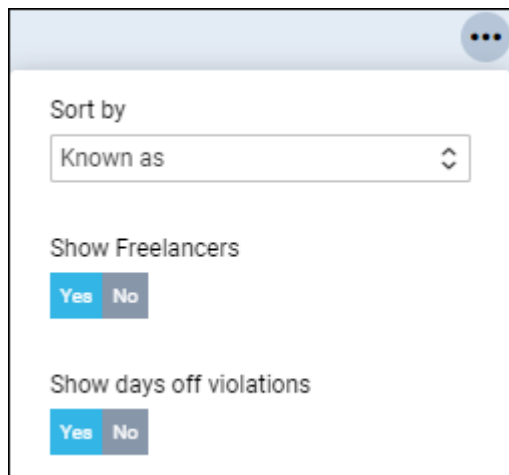

The screenshot shows a 'TIMELINE' view for 'Julia Gelf' from August 1 to 31, 2020. The calendar grid shows days 01 through 06. Days 01, 02, and 03 are marked with orange 'D' icons, while days 04, 05, and 06 are marked with red exclamation mark icons. A tooltip for 'Days off violations' is displayed over the red exclamation mark on day 04, showing: '4 weeks - 7 days required / 0 accumulated' and '1 month - 2 days required / 0 accumulated'.

Day_Off_Violation

It is now possible to view **Days off violations** in the Crew Calendar section.

You can enable it in the 3-dot icon located in the top-right corner.

The screenshot shows a settings menu with a 3-dot icon in the top-right corner. The menu includes a 'Sort by' dropdown set to 'Known as', a 'Show Freelancers' toggle set to 'Yes', and a 'Show days off violations' toggle set to 'Yes'.

The Days off violation is indicated by the red exclamation mark 

Hovering the mouse over the mark will trigger a tooltip with the details regarding the violation.

Days off violations:
4 weeks - 7 days required / 0 accumulated.
1 month - 2 days required / 0 accumulated
