When you add a new flight Leon will warn you if any of the assigned crew has his **currency expired**.

- Crew member (ANS) Phil Anselman is missing currency on:
  - 90 days currency (3 take-offs and landings):
    - A319:Airbus A319 (days left to expire) : 0
  - 30 days currency (One flight as CPT or FO):
    - A319:Airbus A319 (days left to expire) : 0

You can check the status of crew currency in section Crew Duties by marking a checkbox **Show dot** in the filter, then hovering the mouse over the status-dot.
