Checkbox 'Entire row'

We have added a new checkbox **Entire row** to the left-hand filter, tab SHOW > Colours.

When it's not marked, Leon shows the colour of the aircraft (previously defined in a section Settings > Fleet > Aircraft edition) only for the column 'ACFT' in the schedule list.

Flight No.	Day	Date	STD	ADEP	ADES	STA	ALTN	ALTN2	ACFT	Crew			
										CPT	FO	FA1	FA2

7686	Sun	02-Jul	09:00	EGGW	EGLC	09:30	-	-	M-BCDE	-	-	-	-

If it is marked, the aircraft colour gets expanded onto the other columns in the schedule list.
